JUDGING:
All eligible Entries will be judged by a panel of judges, to determine the top 5 Finalists per each of the three school segments (grades K-5; 6-8; and 9-12), on or about October 31, 2012, on the basis of the following judging criteria:

- Effectiveness of demonstrating use of technology in the classroom (40%);
- The extent to which the entry demonstrates collaboration between the student(s) and teacher(s) in creating the video (40%); and
- Overall creativity and spirit of the entry (20%).

The top 5 Finalists per school segment will be posted on flipyourclassroom.einstruction.com, beginning 06:00:00 a.m. PST on November 1, 2012 through 11:59:59 p.m. PST on December 7, 2012, to be viewed by members of the general public who will be asked to vote for their favorite Entry per each of the three school segments (“Voting Period”).

The online consumer votes will determine 40% of Entrant’s final score and the panel of judges at eInstruction will determine 60% of Entrant’s final score. The three Finalists (one per each category) with the top overall scores will each win a Grand Prize for their schools. In the event of a tie during the judges’ phase or after the Entrants’ scores have been tabulated, tied Entries will be re-judged by the judges based solely on Effectiveness of demonstrating use of technology in the classroom. Decisions of judges are final with respect to all matters relating to this Contest.

Winning is contingent on fulfilling all requirements set forth in these Official Rules.

VOTING:
The public voting will take place during the Voting Period as listed above in Rule #5 by visiting flipyourclassroom.einstruction.com or facebook.com/einstruction and following the voting instructions. Individuals must be 18 years or older to vote. Individuals may vote only one time during Voting Period. The use of robotic or automatic devices for voting is prohibited and Sponsor reserves the right to nullify all such votes and to disqualify from voting the responsible individual.

WINNER NOTIFICATION:
All Entrants will be contacted by phone and/or email.

The teachers who submitted the Grand-Prize winning entries will be required to execute and return an affidavit of eligibility, assignment of rights and liability/publicity release (where legal) within seven (7) days of notification attempt or an alternate winning school will be determined. The principal or other authorized administrator at the potential Grand Prize winning school may be contacted via telephone and will then be required to sign and return an Affidavit of Eligibility, Liability Release, and where legal, a Publicity Release within ten (7) days of notification attempt. Noncompliance within this time period will result in disqualification and another winning school will be determined.

Return of prize or prize notification as undeliverable may result in disqualification of submission and alternate winner determined.

Income and other taxes, if any, related to the prize are each winner’s sole responsibility.

Sponsor’s determination of winners is final. Sponsor, SocialWhirled, and their agents shall not be liable for inability to notify winners whether due to inaccurate entry information, change of phone number, email address, or otherwise.
