Recent JROTC Events

We've had a busy last couple of months here at JROTC and we'd like to recap a few of them in this newsletter; enjoy!

The Rattler Challenge, was a great way to bring out the competitive spirit of our Cadets both new and old as everyone did their part in hopes to get their Company to win.

Cadets have also participated in numerous **5Ks** around the RGV to help stay in shape and promoted Sharyland ISD JROTC.

And of course, our **Rattler Battalion Military Ball** where over 60 cadets plus school faculty, family, and friends enjoyed a night of military tradition and followed by the informal dance portion; where we found out that the Rattler Battalion had some dancers!

We will only be putting a few highlights here as we will be sharing all the amazing memories and milestones captured through our very own S5 camera with an end of year slide show.

Fun Activities

Rattler Challenge

The Rattler Challenge took place on Thursday, March 28th here at the SHS grounds. Companies competed against each other in different activities such as: Physical Fitness Challenge, Tug of War, Volleyball, Knowledge Test, Drill and Ceremonies, and Cologuard. The competition got extremely competitive...loved the spirit our cadets showed that day.

Though we were competing against each other we all came together to enjoy some hot dogs, chips, cupcakes, and drinks.

Thank you to Mr. and Mrs. Cruz, Mrs. Toro, and Mrs. Aleman for helping feed over 70 cadets; much appreciated.

JROTC Military Ball

The Military Ball was held on April 5th at the Mission Greater Chamber of Commerce. Thanks to everyone who made this event possible: parents, Instructors, and SHS staff.

The evening began with the formal portion; a ceremony MC'd by C/SGT Paula Garza, with C/LTC Alfredo Rivera being the main speaker. Our Cologuard and Sabers teams did a great job in presenting the colors and our LET 3-4 Seniors. The venue looked great, the food was delicious and everyone looked great dancing. (we got complemented as being the best JROTC dancers in the RGV!)

Glad over 60 of our Cadets were able attend the event and I know we will do our best to start planning early next year.
